

Hello, I'm Irene

I'm a UX Designer

I'M AN AVID READER

AND AN AVID
WRITER

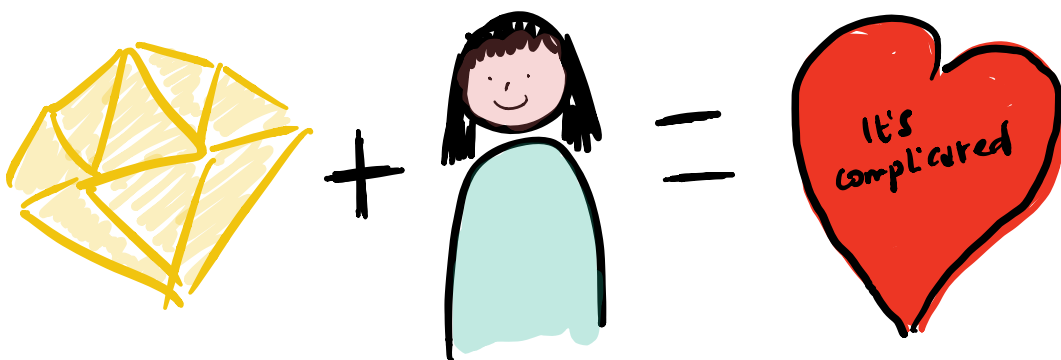

I have a RED bike

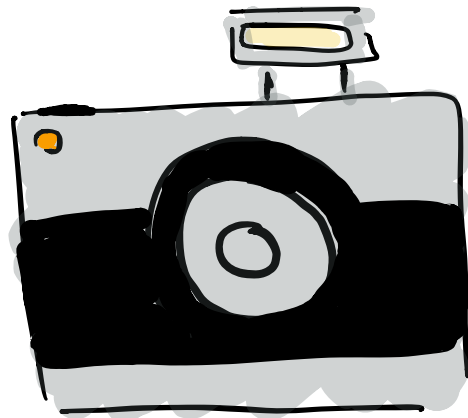

↑
It looks
like this one mines
the wonky wheels

I have a LOVE-HATE
relationship with
SKETCH

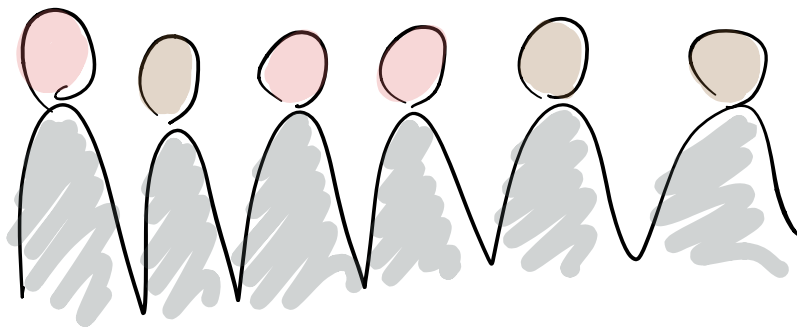

Sometimes I
take PHOTOS

My camera
is nicer
than this
one though!

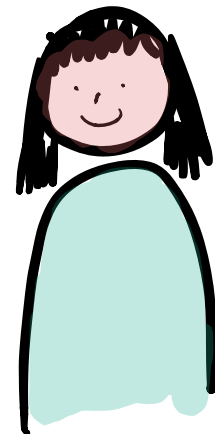

AND I REALLY LIKE PORTRAIT PHOTOGRAPHY

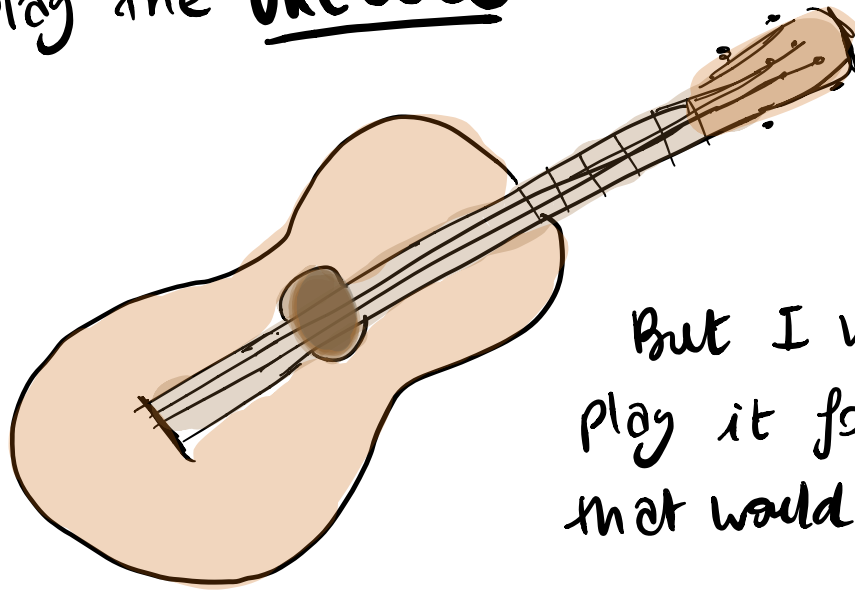

And I love learning
about PRODUCTIVITY

- Habit tracking
- Planning
- Goal setting
- Bullet journaling

I'm not
sure what
to draw
here
...

I just started learning to
play the UKELELE

But I won't
play it for you,
that would be weird.

Also, this is a terrible
drawing of a potato-ukelele.

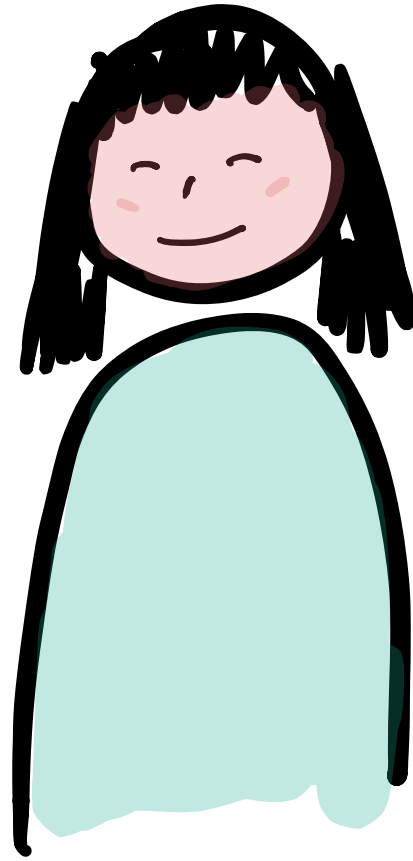

And I'm also learning
to sketch-note

LEARNING

is the key word here.

Because I'm
a learner.

And challenges
help me thrive.

Thanks for reading
